## The Encinitas Educational Foundation (EEF)

The Encinitas Educational Foundation is a volunteer organization founded in 1986 to support the students of the Encinitas Union School District. Composed of representatives from the district's nine elementary schools, EEF serves approximately 5,000 students in Encinitas and south Carlsbad, supporting enrichment programs in the arts, technology, and other vital subjects.

These are precisely the programs most in danger of being lost as a result of budget cuts and the recent economic turmoil. The schools of the Encinitas Union School District consistently rank among California's distinguished schools and we are asking you to join with us to ensure that this high level of education continues for all our students.
